The Sheriff reported that he has been having difficulty in reaching Chris Phillips to whom the bid was awarded. He did get him this morning and was told that Chris is awaiting some additional concrete work to enlarge the pad upon which to place the generator. The Sheriff reported he had asked for an additional cost from someone else since he could not contact Chris.

Judge Ellis lead the discussion on whether to go ahead with the relocation of the generator. There was discussion about Pct.#3 moving the generator and also about getting the concrete done by someone else. The Commissioners agreed to move ahead with the project but to try to get someone else to complete the concrete work.
