7. Consider Any and All Matters Concerning the Parmer County Law Enforcement Center.

Sheriff Geris requested to move funds from his Forfeiture account to a Crime Prevention Operating Fund. He is proposing to move \$1500 to pay for various crime prevention projects.

Upon motion to approve the movement of these funds by Commissioner White, seconded by Commissioner Russell, the motion passed.

The Sheriff discussed the issues with moving the old generator to the Court House. The cost of the project has greatly increased and he asked the Commissioners if they wanted to pursue this or to dispose of the generator by selling or giving to another government entity.

The issue was discussed and Commissioner Russell made a motion to further research the issue to include perhaps trading for a smaller generator for the Court House. Commissioner Wilkins seconded and the motion passed.

The Sheriff also informed the Commissioners of a leak in the street behind the old, old jail. Upon further investigation it appears this has some impact on the Court House. When the valve was turned off to stop the leak; it also stopped the water on the second floor in Judge Green's area. This will need to be researched and the cost associated with repairing the plumbing lines determined.

The Sheriff reported 25 inmates with 2 from Deaf Smith County. He reported that the Jail inspection and the records inspection from the State had been done. Both inspections were passed.

The Sheriff has been serving on the Board of the Panhandle Community Services organization and request the Commissioners to formalize that by appointing him as representative from Parmer County. Upon motion from White to appoint the Sheriff as representative of Parmer County on the Board of the Panhandle Services Community Organization, seconded by Russell, the motion passed.

With no further business to come before the court, Commissioner White moved to adjourn. Commissioner Russell seconded and adjournment was called at 11:58 o'clock A.M.
